PROFILE

As a driven and passionate Computer Engineering student, I am eager to leverage my academic knowledge and technical expertise in a dynamic and innovative environment.

EDUCATION

SNJB's KBJ College Of Engineering (Appearing)

B.E. (Computer Engineering)

Chandwad

Dec 2021 – May 2025

S.S.M.Vidyalay & Jr .College Babhulgaon

HSC

Yeola ,Nashik

June 2019 – May 2021

HIGHLIGHTS

- Proficient in web development using Angular Framework.
- Experienced in front-end development with Angular 17, Material Design, and Bootstrap.
- Expertise in deploying Firebase and AWS applications.
- Strong problem-solving skills with a solid understanding of operating system internals and application development in C, and C++.
- Knowledge of NoSQL database as MongoDB..

TECHNICAL SKILLS

Languages:C, C++, Java, HTML, CSS,

Frameworks: Angular, Node.js, BootStrap, Material-UI, EmailJs,

Operating System: Linux Distributions, MacOS, Windows

Developer Tools: Git, GitHub, Google Cloud Platform, VS Code, Visual Studio, PyCharm,

Cloud Computing Skills: AWS (S3 Bucket)

Database: MySQL, NoSQL, MongoDB, SQL

PROJECTS

Sandhan Gurukul Coaching Institute Website | GitHub | Website

May 2024

- Developed a web application using Angular 17 for the front end.
- Provided multiple functionalities, including form validation using reactive forms.
- Designed the front end using Bootstrap and Material Design.
- Stored user data using Bootstrap and deployed the application using AWS S3.

Socket Programming | Java | GitHub

May 2024

- Developed client-server applications using Java, implementing TCP/IP protocols for reliable data exchange.
- Utilized Java Socket and ServerSocket classes to establish and manage network connections.
- Handled multiple client communications concurrently, ensuring efficient and secure data transmission.
- This concise summary highlights your experience and skills in socket programming, showcasing your ability to develop and manage network-based applications.

EXTRA CURRICULAR

SPACE Community

July 2024

Secretary

SNJB College of Engineering

- Approved every decision about the community and ensured they benefitted Computer students' futures by organizing technical events.
